

Training Announcement

Basic Financial Management for Small Tribes Training

April 24-25, 2017

Registration and sign-in begins at: 8:30AM

Instruction begins at 9:00 AM - 4:00 PM

Overview

This training will focus on giving tribes the tools to successfully manage their NAHASDA program. The training will deliver highlights of best practices to ensure that the management and accounting of the NAHASDA funds are being observed and practiced in accordance with the regulations, internal controls are in place, compliance for the expenditure of the NAHASDA grant funds are observed, written policies and procedures are in place, and financial records are accurate and auditable. The training goal is to increase tribe financial management skills and train attendees to account for the NAHASDA grant funds they receive efficiently and in accordance with the program requirements. This will be a two (2) day training event for up to 40 attendees.

Trainer

Marcie Sherer has over 30 years of accounting and management experience in various positions ranging from Staff Accountant to CFO, and has worked in the education, non-profit, tribal, and governmental arenas. She has over 13 years of housing related accounting experience and is knowledgeable in modified and full accrual accounting. Marcie has direct experience in all aspects of accounting, accounting systems, internal controls, financial reporting, financial audits, and preparing the Management Discussion and Analysis. **Maria Tagliavento** brings over 23 years of experience and a practitioner's perspective to the Financial Management Training. She has held a variety of positions in her 6 years with Aleutian Housing Authority, and 17 years with Cook Inlet Housing Authority (CIHA), in the positions of Controller and Chief Financial Officer, and was directly involved in the preparation of financial and compliance reports, Indian Housing Plans, and the Annual Performance Reports, and internal audit functions.
