Overview

The Association of Alaska Housing Authorities is hosting a two (2) day training on Indian Housing Plan (IHP)/Annual Performance Report (APR). The IHP/APR are the most critical submissions required by the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA). Recipients are required to submit the IHP to HUD at least 75 days prior to the start of their 12-month program year, and the APR is due 90 days after the end of the recipient's program year. This workshop will provide participants with a comprehensive understanding of the IHP and APR requirements, the process for developing the local IHP, tracking activities for the APR, step-by-step process for completing the report template, current reference materials related to the IHP and APR and current updates regarding ONAP's software systems. The workshop also incorporates discussion and case studies to facilitate networking and to assist participants in being prepared to complete their IHP and APR.
