### Overview

AAHA is hosting an exciting and interactive three and a half (3.5) day training with the final half day (4/26/2019) being **optional** and available for participants to schedule a one-on-one session with the trainer. The training will provide attendees with a comprehensive introduction to the Native American Housing Assistance and Self Determination Act of 1996 (NAHASDA). Participants will become familiar with latest regulations, program guidance, and PIH Notices. A thorough review of eligible families and eligible activities including rental housing, homebuyer programs, rehabilitation and housing and crime prevention services will be provided. Major topics to be addressed include the Indian Housing Block Grant (IHBG) formula, calculating income eligibility and adjusted gross income, moderate-income family assistances, and income verification. Other topics will include: Federal requirements impacting IHBG activities, such as useful life and binding commitments, environmental review requirements, total development costs, financial management and program administration, and the latest OMB regulations will be examined. Case studies, group discussions, team games, and hands-on exercises will be applied to reinforce NAHASDA concepts.
