Who should attend?

Intermediate users: With a year or two of QuickBooks experience under your belt, you're probably pretty confident in the specific areas of the program that you've been using on a regular basis. But, did you know, there may be more features that you can be taking advantage of? Whether you have a specific question or problem or simply want to learn more about QuickBooks, our training will help you develop your skills and address your unanswered questions.

Location: The Dimond Center Hotel
